Product Description: The DM is designed for fixed-anchored corner case protection.

Components:

- The **DM Case Protector** is a single fabricated piece with a 4.85" wide curved protective front surface with a radius of 2.42", and an interior base with two (2) anchor holes. The base has a 90-degree angle cut for easy alignment with fixture corners.
- The **Anchor Package** consists of a set of two (2) 3/8" x 3" Anchor Wedges with nuts and washers.

Finishes: The DM Case Protector is available in the following finish:

- **Powder Coat** – All external fabricated materials are composed of 7-gauge steel. Available in black (RAL 9017).

Size: The DM has an overall height of 24".

Shipping: DM Case Protectors are shipped fully assembled. Each DM Case Protector includes anchor hardware to mount the unit to a standard, level concrete floor. Alvarado ships products throughout the world.

Installation: All DM Case Protectors should be installed on level concrete. Installation should be performed by a skilled installer following the manufacturer's Installation Instructions (included).

Warranty: Alvarado Manufacturing Co., Inc. warrants the DM Case Protector from defects in material or workmanship, for the period of ONE YEAR from date of shipment. Complete details of the warranty are available from Alvarado by request.
