Product Description: The FP-14 Stanchion is a post and rope stanchion suitable for a variety of crowd control and/or pedestrian queuing applications. The stanchion is designed for use with up to four (4) rope hooks and supports ropes up to 8 feet in length.

Components:

- The **Stanchion Post** is a 2.25" OD tube made from 16-gauge cold rolled steel.
- The **Rope Flange** is a 4.5" OD circular plate made of 11-gauge cold rolled steel welded to the top of the stanchion post. The flange has four (4) slots for connecting rope hooks.
- The **Base Weight** is an 18-pound powder coated, cast iron 13.75" diameter disc lined with non-marring rubber for moisture damage protection.
- The **Base Cover** is a 14" diameter cover made of stamped steel or scuff-resistant plastic, depending upon finish ordered, that fits over the base weight.

Finishes: FP-14 Stanchions are available in the following finishes:

- **Bright Finish** – Bright chrome stanchion with a chrome or scuff-resistant plastic base cover.
- **Powder Coat** – Textured black powder coat stanchion with scuff-resistant plastic base cover.

Size: The FP-14 Stanchion has an overall height of 38".

Options: The FP-14 Stanchion is available with the following options:

- **Ropes and Rope Hardware** – Queuing ropes are available in various standard and custom sizes and colors. Snap Rope Hook Ends are available in chrome finishes.

Warranty: Alvarado Manufacturing Co., Inc. warrants FP-14 Rope Stanchions from defects in material or workmanship, for the period of ONE YEAR from the date of shipment. Complete details of the warranty are available from Alvarado by request.

Technical Services: Technical information is available from Alvarado Mfg. Co., Inc., and its representatives, distributors, and dealers.
