Product Description: The FP15 is a portable rope stanchion capable of supporting ropes up to 8' in length.

Materials: All materials meet the appropriate ASTM Standards.

Mechanical Components:

- The **Post** is a 2.25" OD tube made from 16-gauge cold rolled steel. A 4.5" OD four-way rope flange made of 11-gauge cold rolled steel is welded to the top. The flange has four (4) holes to attach ropes to the post.
- The **Base Cover** is 15" in diameter. The cover is made of stamped 4-gauge cold rolled steel.
- The **Base Weight** is 12" in diameter. The base weight is made of cast iron and weighs 17 lbs.

Finishes: The FP15 is available in the following finishes:

- **High Polished Chrome** – All external fabricated materials are composed of cold rolled chrome plated steel and mirror polished.

- **Powder Coat** – All external fabricated materials are composed of cold rolled steel and powder coated in one of many available colors.
- **Brass** – All external fabricated materials are composed of cold rolled brass plated steel.

Size: The FP15 has an overall height of 37". The diameter at the base is 15". The diameter at the top flange is 4.5".

Shipping: The FP15 is shipped ready for assembly. Alvarado ships products throughout the world.

Installation: All FP15's must be installed on level flooring. Installation should be performed following the manufacturer's directions and instructions (supplied with the product).

Options:

The following is a list of options that are available for the FP15:

- **Removable Anchoring** – FP15's are equipped with a floor socket to allow easy removal.
- **Permanent Anchoring** – The FP15 is secured to the floor using a steel floor flange. The flange is concealed from view with a base cover.
- **Sign Mounting** – The top of the FP15 post is drilled and tapped to allow mounting of optional Directional Sign Holders.
- **Ropes** – Numerous styles and colors are available.
- **Rope Ends** – The Rope Ends are available in hook or snap styles.

Warranty: Alvarado Manufacturing Co., Inc. warrants the FP15 from defects in material or workmanship, for the period of ONE YEAR from date of shipment. Complete details of the warranty are available from Alvarado by request.
