Product Description: The LG Gate is a single direction manual-swing gate with a unique lower bearing outlet that adds additional strength, making it ideal for daily operation. The durable latch assembly can be padlocked for added security and the latch finger can be reversed, allowing the swing direction to be changed.

Materials: All materials meet the appropriate ASTM Standards.

Mechanical Components:

- The **Gate Arm** is made from two (2) 1 3/4" OD x 16-gauge chrome plated steel tubes welded to a 21.25" x 2" x 0.25" chrome plated steel plate at each end. Two (2) 3/4" OD x 17.5" high notched and welded center rods reinforces the arm.
- The **Hinge Post** and the **Latch Post** are 2 1/4" OD steel tubes with 5 1/2" diameter flanges welded at the base with four (4) anchor holes. A base cover is included with each post. A post cap is included with the Latch Post.

Finishes: The LG Gate is available in the following finishes:

- **Bright Chrome** – All external fabricated materials are composed of chrome plated steel, polished to a bright finish.
- **Powder Coat** – All external fabricated materials are composed of steel, powder coated in one of many available colors.

Size: An LG Gate has an overall height of 38", measured from the floor to the top of the Gate Arm. Gate arm length is 36". The bottom of the Gate Arm is 16" above the floor.

Shipping: The LG Gate is shipped in three pieces, two posts and a gate arm. Anchoring hardware is available, but not included. Alvarado ships products throughout the world.

Installation: The LG Gate must be installed on level concrete. Installation should be performed by a skilled installer following the manufacturer's directions and instructions supplied with the product.

Options: The LG Gate is available with the following options:

- **Rail Outlets** – Factory-attached and loose rail outlets are available for integration with post and rail systems.

Warranty: Alvarado Manufacturing Co., Inc. warrants the LG Gate from defects in material or workmanship, for the period of ONE YEAR from the date of shipment. Complete details of the warranty are available from Alvarado by request.

Technical Services: Technical information is available from Alvarado Mfg. Co., Inc., and its representatives, distributors, and dealers.
