

QUICK QUEUE

Retractable Belt Stanchions

Alvarado's Quick Queue line of portable, retractable belt stanchions are incredibly versatile, and can be used anywhere that requires line management or crowd control.

Quick Queue stanchions can be moved at a moments notice to keep lines organized or to restrict access and protect products.

Our wall mounted Quick Queue allows for even more configurations, and work seamlessly with Quick Queue stanchions.

To keep shipping costs down, all stanchions are sold in pairs.

Typical Installation Sites

- Stadiums and Arenas
- Shopping Centers
- Amusement Parks
- Theaters and Museums

Why Alvarado?

Alvarado is America's leading entry control products manufacturer. Founded in 1956, Alvarado turnstiles and gates are installed in thousands of locations throughout the world.

Our superior product quality, integration expertise and industry leading service and support are just a few reasons that many of the world's most respected companies use our products again and again.

Sign Frames

ROTATIONAL SIGN FRAMES

Rotational Sign Frames attach to the top of the Quick Queue, to one of 8 positions and place. The 11" x 7" frame horizontal or vertical configuration chrome or black finish.

Rotational sign frames

LARGE SIGN FRAMES

Our large sign frame can hold even bigger signs, and attach tightly over our Quick Queues without interfering with connection points. Sign frame comes with two pieces of acrylic that sandwich the purchaser's own 8.5" x 11" thick sign. The large frame is 11.875" x 8.25", and available in a chrome or brass finish.

Large sign frames

Alvarado has a number of standard vertical and horizontal signs to fit our Rotational Sign Frames. Custom signs are also available.
