

*Post shown are not included with the SL-10.

SL-10 Gate

Technical Specifications

Dimensions	<p><u>Unit Height:</u> 35" (890mm)</p> <p><u>Unit Width:</u> 47.5" (1207mm)</p> <p><u>Gate Arm Width:</u> 36" (914mm)</p>
Function	A double sleeve hinge assembly and flip latch enables the SL-10 to swing in either direction and be mounted on any new or existing 2.25" OD post.
Materials	<p><u>Gate Arm</u> The Gate Arm is made from two (2) 1.75" OD x 16-gauge steel tubes welded to a 0.25" x 2" steel plate at each end. A 0.75" OD notched and welded center rod reinforces the arm. Two (2) 2.75" OD steel rings are welded on one end of the gate arm to allow the gate to slide onto an existing hinge post. Each hinge ring is lined with plastic rings to reduce metal on metal contact. A 2.34" ID steel flip latch is bolted to the other end of the gate arm (installation for latch is required).</p> <p><u>Hinge Rings</u> Two (2) steel Hinge Rings are provided to secure the Gate Arm on existing hinge post. Each Hinge Ring is secured to the post with two set screws. The Hinge Rings are slightly smaller in diameter than the hinges on the Gate Arm, so that they do not scrape against the Gate Arm as it moves.</p> <p><u>Fiber Washers</u> Two (2) Fiber Washers are provided to separate the Gate Arm hinges from the hinge rings. They allow the Gate Arm to rotate by preventing metal on metal contact.</p>
Available Finishes	<u>Chrome Plated</u> All external materials are plated with a bright chrome finish.
Weight	Approximately 13 lbs. (5.89 kg)
Shipping Details	Each SL-10 Gate is shipped in a single package that includes both the Gate Arm and hardware to mount the gate to an existing post. Alvarado ships products throughout the world
Installation Details	All SL-10 Gates must be attached to an existing or newly installed post. Installation should be performed by a skilled installer following the manufacturer's instructions (included).
Warranty	Alvarado Manufacturing Co., Inc. warrants the SL-10 Gate from defects in material or workmanship, for the period of one (1) year from the date of shipment. Complete details of the warranty are available from Alvarado by request.
