ALVARADO

protecting assets and controlling the flow of people

QUICK QUEUE

13 FT. RETRACTABLE BELT, STANCHIONS

Alvarado's **Quick Queue** line of portable, retractable belt stanchions are now available with longer 13-foot long belts on select models.

Measuring 2 inches wide and 13 feet in length, the new longer belt allows for better coverage of areas that require line management or crowd control.

Quick Queue stanchions can be moved at a moments notice to keep lines organized or to restrict access and protect products.

To keep shipping costs down, all stanchions are sold in pairs.

TYPICAL INSTALLATION SITES

- Stadiums and Arenas
- Shopping Centers
- Amusement Parks
- Theaters and Museums

Why Alvarado?

Alvarado is the leading manufacturer of queuing and public entry products. Since its founding in 1956, Alvarado equipment has been installed in thousands of locations throughout the world.

Our superior product quality, integration expertise and industry leading service and support are just a few reasons that many of the world's most respected companies use our products again and again.
