ALVARADO

protecting assets and controlling the flow of people

BOWLS

Merchandising bowls from Alvarado are a perfect and inexpensive solution to increase sales.

Designed to easily attach onto our Quick Queue line of retractable belt stanchions, our attractive display bowls are ideal for placing impulse merchandise at point-of-sale.

Benefit from waiting lines and increase your impulse sales by visibly displaying confectionery or other promotional merchandise to your customers, at a hands reach.

Our display bowl is created from a durable, clear acrylic. It measures nearly 6 inches in depth and 14 inches in diameter.

TYPICAL INSTALLATION SITES

- Supermarkets
- Shopping Centers
- Concession Stands
- Gift Shops

Why Alvarado?

Alvarado is the leading manufacturer of queuing and public entry products. Since its founding in 1956, Alvarado equipment has been installed in thousands of locations throughout the world.

Our superior product quality, integration expertise and industry leading service and support are just a few reasons that many of the world's most respected companies use our products again and again.
